

REMARKS

Claims 2-4, 6-9, 11-16, 18, 19, and 32 are pending. Claims 20-31 have been previously cancelled. Claims 1, 5, 10, and 17 have been cancelled without prejudice. Claims 2, 3, 4, 6-9, 11-16, 18 and 19 have been amended. New claim 32 has been added.

In the September 13, 2005 Office Action, the Examiner rejected claims 1-3, 5, 10, 13, 14, and 16 under 35 U.S.C. §102(b) as being anticipated by Isobe, U.S. Patent No. 4,651,839 (hereinafter the Isobe reference). The Examiner rejected claims 8, 11, 12, and 17 under 35 U.S.C. §103(a) as being obvious over the Isobe reference. Claims 1, 5, 10, and 17 have been cancelled.

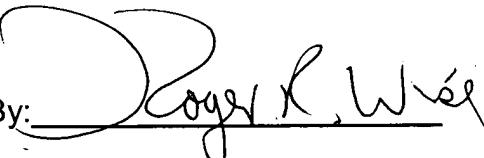

The Examiner objected to claims 4, 6, 7, 9, 15, 18, and 19 as being dependent upon rejected base claims, but indicated that such claims would be allowable if rewritten in independent form including all of the limitations of the base claims and any intervening claims. By this amendment, Applicant has rewritten in independent form and slightly amended claims 4, 6, 7, 9, 15, 18, and 19 in accordance with the Examiner's remarks. Applicant notes that dependent claims 6 and 7 depend from dependent claim 5 and therefore depend indirectly from claim 1. Dependent claim 5 contained a limitation that is redundant to claim 1. Therefore, dependent claim 5 has been cancelled. Applicant has amended dependent claims 2, 3, and 8 to depend directly from claim 4, as amended, and has amended dependent claims 11-14, and 16 to depend directly from claim 15, as amended. Applicant has added new independent claim 32 directed to a cooling assemble. Claim 32 corresponds to independent claim 9.

The Applicant believes independent claims 4, 6, 7, 9, 15, 18, 19, and 32, and dependent claims 2, 3, 8, 11-14, and 16 are in condition for allowance.

Applicant believes that the foregoing amendment and remarks place the application in condition for allowance, and a favorable action is respectfully requested. If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles telephone number (213) 488-7100 to discuss the steps necessary for placing the application in condition for allowance should the examiner believe that such a telephone conference would advance prosecution of the application.

Respectfully submitted,

PILLSBURY WINTHROP LLP
